

Bilaga 2.30

1 (26)

Inventering av vetenskapliga kunskapsluckor inom psykisk ohälsa 2005–2020
- insatser för att utreda, diagnostisera, förebygga och behandla psykisk ohälsa,
inklusive stödjande och organisatoriska åtgärder
rapport 335 (2021)

Bilaga 2.30 Organisation

Utdrag från DUET:s databas med vetenskapliga kunskapsluckor

Listan i denna bilaga innehåller följande information:

Populations-kategori	Titel	Insats-kategori	Källa (endast i DUETs)	Referens	Typ av kunskapslucka	Datum
Övergripande kategori för population	Kunskaps-luckans titel	Övergripande kategori för insats	Internationell eller brittisk arbetsgrupp som tagit fram underlaget (t.ex. Cochrane, NICE, JLA, DUETs Mental Health Module editorial group)	Underlag som kunskaps-luckan hämtats från	Tre typer: <ul style="list-style-type: none">- En systematisk översikt behövs- En uppdaterad systematisk översikt behövs- Fler primärstudier behövs <p>De tre typerna återspeglar kunskapsläget sådant det såg ut vid tidpunkten för utredningen av kunskapsluckan.</p>	Datum för när den senaste versionen av kunskaps-luckan publicerades

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Neuropsykiatriska tillstånd	Homework, organisation, and planning skills (HOPS) for school children with attention deficit-hyperactivity disorder (ADHD)	Organisation, Stöd & Information	En systematisk översikt behövs	Evidence Update - attention deficit hyperactivity disorder		2013-05-13
Neuropsykiatriska tillstånd	Does training professionals to recognise signs and symptoms of autism lead to earlier assessment of needs and earlier diagnosis (and by implication reduce morbidity/improve health outcomes) among children and young people with suspected autism compared with no training?	Organisation	Fler primärstudier behövs	NICE Clinical Guideline Autism spectrum disorders in children and young people	<i>National Collaborating Centre for Women's and Children's Health (2011) Autism spectrum disorders in children and young people. Clinical Guideline. London: National Institute for Health and Clinical Excellence.</i>	2011-09-30
Neuropsykiatriska tillstånd	Are interventions to improve consistency of approach between agencies like health and education effective to improve behavioural problems in children with Autistic Spectrum Disorder (ASD)?	Organisation	En systematisk översikt behövs	JLA Survey		2014-06-23
Neuropsykiatriska tillstånd	Does routine additional information from educational settings (such as nursery or school) improve accuracy in diagnosing autism among children or young people up to the age of 19 compared with signs and symptoms alone?	Organisation, Diagnostik & Utredning	Fler primärstudier behövs	NICE Clinical Guideline Autism spectrum disorders in children and young people	<i>National Collaborating Centre for Women's and Children's Health (2011) Autism spectrum disorders in children and young people. Clinical Guideline. London: National Institute for Health and Clinical Excellence.</i>	2011-09-30
Affektiva tillstånd	Specialised collaborative care service for people admitted to hospital with bipolar disorder	Organisation	Fler primärstudier behövs	NICE CG. Bipolar disorder: the assessment and management of bipolar disorder in adults, children and young people.	<i>National Institute for Health and Clinical Excellence (2014) Bipolar disorder: the assessment and management of bipolar disorder in adults, children and young people in primary and secondary care. Clinical Guideline CG185. London: National Institute for Health and Clinical Excellence.</i>	2014-11-19
Affektiva tillstånd	Comprehensive assessment versus a brief assessment conducted by mental health professional versus a brief assessment by conducted by a paraprofessional?	Diagnostik & Utredning, Vård- & Behandlingsalternativ, Organisation	Fler primärstudier behövs	NICE Clinical Guideline Common mental health disorders	<i>National Collaborating Centre for Mental Health (2011) Common mental health disorders. Clinical Guideline. London: The British Psychological Society & The Royal College of Psychiatrists.</i>	2011-05-31

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Affektiva tillstånd	Collaborative care for depression and anxiety problems	Organisation	Fler primärstudier behövs	Cochrane Depression, Anxiety and Neurosis Group	<i>Archer J, Bower P, Gilbody S, Lovell K, Richards D, Gask L, Dickens C, Coventry P. Collaborative care for depression and anxiety problems. Cochrane Database of Systematic Reviews 2012, Issue 10. Art. No.: CD006525.</i>	2009-10-18
Affektiva tillstånd	Delivering services to people with social anxiety	Organisation	Fler primärstudier behövs	NICE Clinical Guideline Social anxiety disorder (CG159)	<i>National Collaborating Centre for Mental Health (2013) Social anxiety disorder (CG159). Clinical Guideline. London: The British Psychological Society & The Royal College of Psychiatrists.</i>	2013-07-12
Affektiva tillstånd	What is the best way of involving parents in the treatment of children and young people at different stages of development with social anxiety disorder?	Organisation	Fler primärstudier behövs	NICE Clinical Guideline Social anxiety disorder (CG159)	<i>National Collaborating Centre for Mental Health (2013) Social anxiety disorder (CG159). Clinical Guideline. London: The British Psychological Society & The Royal College of Psychiatrists.</i>	2013-07-12
Schizofreni & Psykotiska tillstånd	Treatments for primary delusional infestation	Vård- & Behandlingsalternativ, Organisation	En systematisk översikt behövs	Cochrane Schizophrenia Group		2014-11-18
Schizofreni & Psykotiska tillstånd	Implementation of treatment guidelines for specialist mental health care	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Barbui C, Girlanda F, Ay E, Cipriani A, Becker T, Koesters M. Implementation of treatment guidelines for specialist mental health care. Cochrane Database of Systematic Reviews 2014, Issue 1. Art. No.: CD009780.</i>	2014-02-10
Schizofreni & Psykotiska tillstånd	Collaborative care approaches for people with severe mental illness	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Reilly S, Planner C, Gask L, Hann M, Knowles S, Druss B, Lester H. Collaborative care approaches for people with severe mental illness. Cochrane Database of Systematic Reviews 2013, Issue 11. Art. No.: CD009531.</i>	2013-12-09
Schizofreni & Psykotiska tillstånd	Day hospital versus admission for acute psychiatric disorders	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Marshall M, Crowther R, Sledge WH, Rathbone J, Soares-Weiser K. Day hospital versus admission for acute psychiatric disorders. Cochrane Database of Systematic Reviews 2011, Issue 12. Art. No.: CD004026.</i>	2011-12-07
Schizofreni & Psykotiska tillstånd	Clinical and cost-effectiveness of monitoring the physical health of people with schizophrenia	Organisation	Fler primärstudier behövs	NICE guideline on core interventions in the treatment and management of schizophrenia	<i>Tosh G, Clifton A, Mala S, Bachner M. Physical health care monitoring for people with serious mental illness. Cochrane Database of Systematic Reviews 2010, Issue 3. Art. No.: CD008298.</i>	2011-02-17

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Schizofreni & Psykotiska tillstånd	Clinical, social and economic outcomes, including quality of life and the methods and effects of risk monitoring, of treatment by acute day hospitals, assertive outreach teams, in-patient units, and crisis resolution and home treatment teams	Organisation	Fler primärstudier behövs	NICE guideline on core interventions in the treatment and management of schizophrenia		2011-02-17
Schizofreni & Psykotiska tillstånd	Compulsory community and involuntary outpatient treatment for people with severe mental disorders	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Kisely SR, Campbell LA. Compulsory community and involuntary outpatient treatment for people with severe mental disorders. Cochrane Database of Systematic Reviews 2011, Issue 2. Art. No.: CD004408.</i>	2011-02-16
Schizofreni & Psykotiska tillstånd	Assertive community treatment for people with severe mental disorders in the UK	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Marshall M, Lockwood A. Assertive community treatment for people with severe mental disorders. Cochrane Database of Systematic Reviews 1998, Issue 2. Art. No.: CD001089.</i>	2010-01-22
Schizofreni & Psykotiska tillstånd	Inpatient admission versus day hospital for schizophrenia	Organisation	Fler primärstudier behövs	Mental Health Research Network Cymru	<i>Catty JS, Bunstead Z, Burns T, Comas A. Day centres for severe mental illness. Cochrane Database of Systematic Reviews 2007, Issue 1. Art. No.: CD001710.</i>	2008-02-13

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Schizofreni & Psykotiska tillstånd	Are there benefits of hospital treatment compared to home care treatment for psychotic episodes?	Organisation	Fler primärstudier behövs	Mind Cymru	<p><i>Marshall M, Crowther R, Almaraz-Serrano A, Creed F, Sledge W, Kluiters H, Roberts C, Hill E, Wiersma D. Day hospital versus admission for acute psychiatric disorders. Cochrane Database of Systematic Reviews 2003, Issue 1. Art. No.: CD004026.</i></p> <p><i>Marshall M, Lockwood A. Assertive community treatment for people with severe mental disorders. Cochrane Database of Systematic Reviews 1998, Issue 2. Art. No.: CD001089.</i></p> <p><i>Malone D, Newron-Howes G, Simmonds S, Marriot S, Tyrer P. Community mental health teams (CMHTs) for people with severe mental illnesses and disordered personality. Cochrane Database of Systematic Reviews 2007, Issue 3. Art. No.: CD000270.</i></p> <p><i>Kisely S, Campbell LA, Preston N. Compulsory community and involuntary outpatient treatment for people with severe mental disorders. Cochrane Database of Systematic Reviews 2005, Issue 3. Art. No.: CD004408.</i></p> <p><i>Joy CB, Adams CE, Rice K. Crisis intervention for people with severe mental illnesses. Cochrane Database of Systematic Reviews 2006, Issue 4. Art. No.: CD001087.</i></p>	2007-09-12
Schizofreni & Psykotiska tillstånd	Assertive Outreach Teams (AOT) for schizophrenia and other serious mental disorders in the UK	Organisation	Fler primärstudier behövs	National Institute for Health and Clinical Excellence research recommendation	<p><i>Marshall M, Lockwood A. Assertive community treatment for people with severe mental disorders. Cochrane Database of Systematic Reviews 1998, Issue 2. Art. No.: CD001089.</i></p>	2007-06-27
Schizofreni & Psykotiska tillstånd	A co-ordinated approach of primary and secondary care in the early diagnosis and management of schizophrenia	Organisation	Fler primärstudier behövs	National Institute for Health and Clinical Excellence research recommendation	<p><i>Marshall M, Rathbone J. Early Intervention for psychosis. Cochrane Database of Systematic Reviews 2006, Issue 4. Art. No.: CD004718.</i></p>	2007-06-18

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Schizofreni & Psykotiska tillstånd	Community Mental Health Teams trained to deliver specialist treatment, compared to specialist teams (e.g. Crisis Resolution, Home Treatment, and Early Intervention), for serious mental illness	Organisation	Fler primärstudier behövs	National Institute for Health and Clinical Excellence research recommendation	<p><i>Joy CB, Adams CE, Rice K. Crisis intervention for people with severe mental illnesses. Cochrane Database of Systematic Reviews 2006, Issue 4. Art. No.: CD001087.</i></p> <p><i>Marshall M, Rathbone J. Early Intervention for psychosis. Cochrane Database of Systematic Reviews 2006, Issue 4. Art. No.: CD004718.</i></p> <p><i>Marshall M, Lockwood A. Assertive community treatment for people with severe mental disorders. Cochrane Database of Systematic Reviews 1998, Issue 2. Art. No.: CD001089.</i></p> <p><i>Tyrer P, Coid J, Simmonds S, Joseph P, Marriott S. Community mental health teams (CMHTs) for people with severe mental illnesses and disordered personality. Cochrane Database of Systematic Reviews 1998, Issue 4. Art. No.: CD000270.</i></p> <p><i>Marshall M, Gray A, Lockwood A, Green R. Case management for people with severe mental disorders. Cochrane Database of Systematic Reviews 1998, Issue 2. Art. No.: CD000050.</i></p>	2007-06-18
Schizofreni & Psykotiska tillstånd	Different communication strategies for disclosing a diagnosis of schizophrenia and related disorders	Organisation	En systematisk översikt behövs	Cochrane Schizophrenia Group		2015-07-01
Schizofreni & Psykotiska tillstånd	Communication skills training for mental health professionals working with people with severe mental illness	Organisation	En systematisk översikt behövs	Cochrane Schizophrenia Group		2012-08-23
Schizofreni & Psykotiska tillstånd	Does staff training in cultural competence at an individual and organisational level improve the experience of care and chance of recovery from schizophrenia in Black and Minority Ethnic groups, and reduce staff burnout?	Organisation	En systematisk översikt behövs	Schizophrenia Core interventions in the treatment and management of schizophrenia in primary and secondary care (update)		2010-02-21

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Schizofreni & Psykotiska tillstånd	Pre-identification services, including assessment and diagnosis and early engagement, for racial and ethnic groups with schizophrenia	Organisation	En systematisk översikt behövs	Schizophrenia Core interventions in the treatment and management of schizophrenia in primary and secondary care (update)		2010-02-21
Schizofreni & Psykotiska tillstånd	Which ethnic, religious, language or racial identity factors hinder engagement for people with schizophrenia from Black and Minority Ethnic groups?	Organisation	En systematisk översikt behövs	Schizophrenia Core interventions in the treatment and management of schizophrenia in primary and secondary care (update)		2010-02-20
Schizofreni & Psykotiska tillstånd	Intensive Case Management for severe mental illness	Organisation	En systematisk översikt behövs	Cochrane Schizophrenia Group		2010-01-11
Schizofreni & Psykotiska tillstånd	Environmental enrichment for schizophrenia	Organisation	En systematisk översikt behövs	Mental Health Research Network Cymru		2007-07-12
Schizofreni & Psykotiska tillstånd	Are general practice teams useful in crisis management of people with schizophrenia?	Organisation	En systematisk översikt behövs	National Institute for Health and Clinical Excellence research recommendation		2007-05-01
Schizofreni & Psykotiska tillstånd	Effective interventions for managing physical health of people with schizophrenia in general practice	Organisation	En systematisk översikt behövs	National Institute for Health and Clinical Excellence research recommendation		2007-05-01
Schizofreni & Psykotiska tillstånd	The role of case registers in the long term management of people with schizophrenia in general practice	Organisation	En systematisk översikt behövs	National Institute for Health and Clinical Excellence research recommendation		2007-05-01
Schizofreni & Psykotiska tillstånd	Can people with schizophrenia be diagnosed earlier by GPs, and can the management of first episode psychosis be carried out in general practice?	Organisation	En uppdaterad systematisk översikt behövs	Healthtalkonline Survey	<i>Marshall M, Rathbone J. Early intervention for psychosis. Cochrane Database of Systematic Reviews 2011, Issue 6. Art. No.: CD004718.</i>	2011-02-17

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Schizofreni & Psykotiska tillstånd	Ethnically specific and specialist services for people with schizophrenia	Organisation	En uppdaterad systematisk översikt behövs	Schizophrenia Core interventions in the treatment and management of schizophrenia in primary and secondary care (update)	<i>Shek E, Stein AT, Shansis FM, Marshall M, Crowther R, Tyrer P. Day hospital versus outpatient care for people with schizophrenia. Cochrane Database of Systematic Reviews: Reviews 2009 Issue 4 John Wiley & Sons, Ltd Chichester, UK. Dieterich M, Irving CB, Marshall M. Intensive Case Management for severe mental illness. Cochrane Database of Systematic Reviews: Protocols 2009 Issue 3 John Wiley & Sons, Ltd Chichester, UK. Macpherson R, Edwards TR, Chilvers R, David C, Elliott HJ. Twenty-four hour care for schizophrenia. Cochrane Database of Systematic Reviews: Reviews 2009 Issue 2 John Wiley & Sons, Ltd Chichester, UK.</i>	2010-02-21
Schizofreni & Psykotiska tillstånd	Acute day hospitals compared to other acute service provision, such as crisis resolution and home treatment teams for serious mental illness	Organisation	En uppdaterad systematisk översikt behövs	National Institute for Health and Clinical Excellence research recommendation	<i>Joy CB, Adams CE, Rice K. Crisis intervention for people with severe mental illnesses. Cochrane Database of Systematic Reviews 2006, Issue 4. Art. No.: CD001087. Marshall M, Lockwood A. Assertive community treatment for people with severe mental disorders. Cochrane Database of Systematic Reviews 1998, Issue 2. Art. No.: CD001089. Tyrer P, Coid J, Simmonds S, Joseph P, Marriott S. Community mental health teams (CMHTs) for people with severe mental illnesses and disordered personality. Cochrane Database of Systematic Reviews 1998, Issue 4. Art. No.: CD000270. Marshall M, Gray A, Lockwood A, Green R. Case management for people with severe mental disorders. Cochrane Database of Systematic Reviews 1998, Issue 2. Art. No.: CD000050.</i>	2007-06-18

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Schizofreni & Psykotiska tillstånd	Interventions to encourage uptake of cancer screening for people with severe mental illness	Organisation, Diagnostik & Utredning	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Barley E, Borschmann R, Walters P, Tylee A. Interventions to encourage uptake of cancer screening for people with severe mental illness. Cochrane Database of Systematic Reviews 2013, Issue 7. Art. No.: CD009641.</i>	2013-09-16
Schizofreni & Psykotiska tillstånd	Do Crisis or Outreach teams prevent relapse of psychosis?	Organisation, Prevention	Fler primärstudier behövs	Mind Cymru	<i>Joy CB, Adams CE, Rice K. Crisis intervention for people with severe mental illnesses. Cochrane Database of Systematic Reviews 2006, Issue 4. Art. No.: CD001087.</i>	2007-09-10
Schizofreni & Psykotiska tillstånd	Interventions for psychosis in adolescents	Organisation, Vård- & Behandlingsalternativ	En systematisk översikt behövs	Cochrane Schizophrenia Group		2010-01-12
Schizofreni & Psykotiska tillstånd	Peer support interventions in people with psychosis and schizophrenia	Stöd & Information, Organisation	Fler primärstudier behövs	NICE Clinical Guideline Psychosis and schizophrenia in adults (CG178)	<i>National Collaborating Centre for Mental Health (2014) Psychosis and schizophrenia in adults (CG178). Clinical Guideline. London: The British Psychological Society & The Royal College of Psychiatrists.</i>	2014-03-25
Schizofreni & Psykotiska tillstånd	Does social support in the early acute phase of schizophrenia help reduce relapse?	Stöd & Information, Organisation	Fler primärstudier behövs	Mental Health Research Network Cymru	<i>Marshall M, Rathbone J. Early Intervention for psychosis. Cochrane Database of Systematic Reviews 2006, Issue 4.</i>	2007-11-09
Schizofreni & Psykotiska tillstånd	Peer support for schizophrenia	Stöd & Information, Organisation	En systematisk översikt behövs	Cochrane Schizophrenia Group		2014-01-10
Schizofreni & Psykotiska tillstånd	Peer support for improving service engagement for people with psychosis and coexisting substance misuse	Stöd & Information, Organisation	En systematisk översikt behövs	Evidence Update - Alcohol use disorders: harmful drinking and alcohol dependence		2012-11-05
Schizofreni & Psykotiska tillstånd	Are social activities beneficial for schizophrenia?	Sysselsättning & Färdighetsträning, Organisation	Fler primärstudier behövs	Mental Health Research Network Cymru	<i>He Y, Li C. Morita therapy for schizophrenia. Cochrane Database of Systematic Reviews 2007, Issue 1. Art. No.: CD006346. Crawford-Walker CJ, King A, Chan S. Distraction techniques for schizophrenia. Cochrane Database of Systematic Reviews 2005, Issue 1. Art. No.: CD004717.</i>	2007-06-11
Schizofreni & Psykotiska tillstånd	Specialist interventions for homeless people with severe mental illness	Omsorg & Boende, Organisation	En systematisk översikt behövs	Cochrane Schizophrenia Group		2013-01-15

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Schizofreni & Psykotiska tillstånd	Length of hospitalisation for people with severe mental illness	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Babalola O, Gormez V, Alwan NA, Johnstone P, Sampson S. Length of hospitalisation for people with severe mental illness. Cochrane Database of Systematic Reviews 2014, Issue 1. Art. No.: CD000384.</i>	2014-02-14
Schizofreni & Psykotiska tillstånd	Physical health care monitoring for people with serious mental illness	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Tosh G, Clifton AV, Xia J, White MM. Physical health care monitoring for people with serious mental illness. Cochrane Database of Systematic Reviews 2014, Issue 1. Art. No.: CD008298.</i>	2014-02-14
Schizofreni & Psykotiska tillstånd	Containment strategies for people with serious mental illness	Organisation	Fler primärstudier behövs	Cochrane Schizophrenia Group	<i>Muralidharan S, Fenton M. Containment strategies for people with serious mental illness. Cochrane Database of Systematic Reviews 2006, Issue 3. Art. No.: CD002084.</i>	2008-02-28
Schizofreni & Psykotiska tillstånd	Screening programmes for helping mental health professionals to detect violent victimisation in people with severe mental illness	Organisation, Diagnostik & Utredning	En systematisk översikt behövs	Cochrane Schizophrenia Group		2014-04-08
Schizofreni & Psykotiska tillstånd	Illness management and recovery programme for people with severe mental illness	Vård- & Behandlingsalternativ, Organisation	En systematisk översikt behövs	Cochrane Schizophrenia Group		2014-05-19
Schizofreni & Psykotiska tillstånd	Is providing treatment for psychosis and substance misuse services within staffed accommodation more cost-effective than a combination of hospital and home treatment?	Omsorg & Boende, Organisation	Fler primärstudier behövs	NICE Clinical Guideline Psychosis with coexisting substance misuse	<i>National Collaborating Centre for Mental Health (2011) Psychosis with coexisting substance misuse. Clinical Guideline. London: The British Psychological Society & The Royal College of Psychiatrists.</i>	2011-03-31
Schizofreni & Psykotiska tillstånd	What service delivery models allow people with psychosis and coexisting substance misuse to remain living outside hospital?	Organisation	Fler primärstudier behövs	NICE Clinical Guideline Psychosis with coexisting substance misuse	<i>National Collaborating Centre for Mental Health (2011) Psychosis with coexisting substance misuse. Clinical Guideline. London: The British Psychological Society & The Royal College of Psychiatrists.</i>	2011-03-31
Schizofreni & Psykotiska tillstånd	Are environmental interventions clinically and cost effective when compared with standard care for people with psychosis and coexisting substance misuse?	Organisation, Omsorg & Boende	Fler primärstudier behövs	NICE Clinical Guideline Psychosis with coexisting substance misuse	<i>National Collaborating Centre for Mental Health (2011) Psychosis with coexisting substance misuse. Clinical Guideline. London: The British Psychological Society & The Royal College of Psychiatrists.</i>	2011-03-31

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Särskilda tillstånd	Inpatient versus outpatient care, partial hospitalisation and wait-list for people with eating disorders	Organisation	En systematisk översikt behövs	Cochrane Depression, Anxiety and Neurosis Group		2014-01-10
Särskilda tillstånd	Interventions for primary prevention of suicide in university and other post-secondary educational settings	Prevention, Stöd & Information, Organisation	Fler primärstudier behövs	Cochrane Injuries Group	<i>Harrod CS, Goss CW, Stallones L, DiGuseppi C. Interventions for primary prevention of suicide in university and other post-secondary educational settings. Cochrane Database of Systematic Reviews 2014, Issue 10. Art. No.: CD009439.</i>	2014-11-13
Missbruk & Beroende	Do needle and syringe programmes for drug users have any unintended consequences?	Organisation	Fler primärstudier behövs	NICE Public Health Needle and syringe programmes (PH52)	<i>National Institute for Health and Clinical Excellence (2014) Needle and syringe programmes (PH52). Public Health PH52. London: National Institute for Health and Clinical Excellence.</i>	2014-06-27
Missbruk & Beroende	How can needle and syringe programmes encourage specific groups of people who inject drugs to use the service effectively?	Prevention, Medicinteknik & Kirurgi, Vård- & Behandlingsalternativ, Organisation	Fler primärstudier behövs	NICE Public Health Needle and syringe programmes (PH52)	<i>National Institute for Health and Clinical Excellence (2014) Needle and syringe programmes (PH52). Public Health PH52. London: National Institute for Health and Clinical Excellence.</i>	2014-06-27
Missbruk & Beroende	What type of behaviour-change interventions delivered by needle and syringe programmes are effective in promoting safer drug use practices and reducing the incidence of overdose?	Prevention, Organisation, Vård- & Behandlingsalternativ	Fler primärstudier behövs	NICE Public Health Needle and syringe programmes (PH52)	<i>National Institute for Health and Clinical Excellence (2014) Needle and syringe programmes (PH52). Public Health PH52. London: National Institute for Health and Clinical Excellence.</i>	2014-06-27
Missbruk & Beroende	What are the most effective and cost effective ways of delivering needle and syringe programmes to young people aged under 18 or users of image- and performance- enhancing drugs?	Vård- & Behandlingsalternativ, Organisation	Fler primärstudier behövs	NICE Public Health Needle and syringe programmes (PH52)	<i>National Institute for Health and Clinical Excellence (2014) Needle and syringe programmes (PH52). Public Health PH52. London: National Institute for Health and Clinical Excellence.</i>	2014-06-27
Demens & Äldre	Is telecare effective for maintaining independence in people with dementia living at home for as long as possible?	Medicinteknik & Kirurgi, Omsorg & Boende, Organisation	En systematisk översikt behövs	Dementia - A JLA Priority Setting Partnership	<i>Lins S, Hayder-Beichel D, Rücker G, Motschall E, Antes G, Meyer G, Langer G. Efficacy and experiences of telephone counselling for informal carers of people with dementia. Cochrane Database of Systematic Reviews 2014, Issue 9. Art. No.: CD009126.</i>	2015-10-29

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Demens & Äldre	Is it better for young/early onset patients with dementia to be cared for with other young/early onset patients instead of in care homes/units with more elderly patients in terms of quality of life and outcomes?	Omsorg & Boende, Organisation	En systematisk översikt behövs	Dementia - A JLA Priority Setting Partnership		2015-10-29
Demens & Äldre	Are people with dementia better cared for in care homes/mental health units with other dementia patients or with non dementia sufferers for progression of the disease, quality of life?	Omsorg & Boende, Organisation, Vård- & Behandlingsalternativ	En systematisk översikt behövs	Dementia - A JLA Priority Setting Partnership		2015-10-29
Demens & Äldre	Does a higher level of nursing staff in care homes improve quality of care, including medical care, for people with dementia?	Organisation	Fler primärstudier behövs	Dementia - A JLA Priority Setting Partnership		2015-10-29
Demens & Äldre	Does promoting independence of people with dementia by minimising help provided at home contribute to slower deterioration/better outcomes?	Organisation	Fler primärstudier behövs	Dementia - A JLA Priority Setting Partnership		2015-10-29
Demens & Äldre	How can GPs be made more aware of the concerns of sufferers, potential sufferers and carers regarding a possible diagnosis of dementia?	Organisation	Fler primärstudier behövs	Dementia - A JLA Priority Setting Partnership		2015-10-29
Demens & Äldre	How does the cost of paying for care/carers (including those at home/residential/nursing care) for those with sufficient assets impact on the emotional wellbeing/quality of life of person with dementia and their carers?	Organisation	Fler primärstudier behövs	Dementia - A JLA Priority Setting Partnership		2015-10-29
Demens & Äldre	What are effective methods to improve the awareness and attitudes of health and social care professionals in all settings and improve their understanding of the challenges faced by carers and families of people with dementia?	Organisation	Fler primärstudier behövs	Dementia - A JLA Priority Setting Partnership		2015-10-29

Populationskategori	Titel (eng)	Insatskategori	Typ av kunskapslucka	Källa	Referens	Datum
Demens & Äldre	What interventions/techniques/facilities/ staff training are of most benefit in improving the quality of life of people with dementia and their carers in all settings and at all stages of the disease?	Organisation	Fler primärstudier behövs	Dementia - A JLA Priority Setting Partnership	<i>Rolinski M, Fox C, Maidment I, McShane R. Cholinesterase inhibitors for dementia with Lewy bodies, Parkinson's disease dementia and cognitive impairment in Parkinson's disease. Cochrane Database of Systematic Reviews 2012, Issue 3. Art. No.: CD006504.</i> <i>Li Y, Hai S, Zhou Y, Dong BR. Cholinesterase inhibitors for rarer dementias associated with neurological conditions. Cochrane Database of Systematic Reviews 2015, Issue 3. Art. No.: CD009444.</i>	2015-10-29
Demens & Äldre	Case management approaches to home support for people with dementia	Organisation	Fler primärstudier behövs	Cochrane Dementia and Cognitive Improvement Group	<i>Reilly S, Miranda-Castillo C, Malouf R, Hoe J, Toot S, Challis D, Orrell M. Case management approaches to home support for people with dementia. Cochrane Database of Systematic Reviews 2015, Issue 1. Art. No.: CD008345.</i>	2015-02-24
Demens & Äldre	Efficacy and experiences of telephone counselling for informal carers of people with dementia	Organisation	Fler primärstudier behövs	Cochrane Dementia and Cognitive Improvement Group	<i>Lins S, Hayder-Beichel D, Rücker G, Motschall E, Antes G, Meyer G, Langer G.
